D. Discussion and Possible Action Items:

1. So this meeting was not a formal PAC meeting; it was a meeting for the Head Administrator, to give parents an update on the Revocation letter intent of possible closure of DEAP School. The meeting then lead into a decision to use PAC funds to purchase gas cards and a meal for students, staff and parents who may be attending the Hearing which was scheduled for October 13, 2017 in Santa Fe, NM. A list of students was then announced and possible parent vehicles that may be joining in the support of DEAP School. The talk of a \$50 gas card and one meal was then decided. With this not being a parent meeting for the PAC Committee, we still voted on the decision, Chair person — Margie Apache and Vice-Chair — Delmaline Muskett were both present. The vote of 14 in favor and 0 opposed, went in favor to take the funds out of the PAC money make the purchase. No one did the motion but all parents who voted were in favor of the idea, so we left it at that.

2. Parents were then updated on possible actions to start our Fundraising for the year, and a Raffle drawing for Thanksgiving Dinner baskets and Wood would be on our list to raffle off. Will continue to discuss this at our next PAC meeting, which was decided for October 23rd at 6:30 pm.

E. Public Comments:

Delmaline, encourage for Parents and family to write letters of Support of the school. Also praised parents for all that they do and continue to teach their children, because there teachings show at the school with all the active ites that the staff at DEAP do to make this school a hands on teaching for our kids. A reminder of Volunteer hours was also mentioned to everyone present.

- F. The next PAC meeting will be October 23, 2017 at 6:30 pm.
- G. The meeting was called in adjournment by Delmaline at 8:34 pm., with a vote of 14—0.
