**Parent Advisory Committee (PAC) Meeting**

**Tuesday, October 23, 2017**

Tonight a meeting was scheduled for the PAC, notice was sent out via Remind to Parents. I, Delmaline, along with teacher member, Elijah Allen and Office Manger Karen Mailman showed up at 7 pm. Shortly after 2 more parents showed up but not enough for a quorum for this meeting to continue, so we just asked questions and got answers. It was until this evening the three parents present got a copy of the Bylaws of Title VII Indian Education Parent Committee of Dzil Dit'ooi School of Empowerment, Action and Perseverance (DEAP).

Topics brought up:

1. Members of the Committee
2. Possible re-elect of Committee – according to Bylaws 2 of 3 need to be present to do any voting to count at PAC meetings
3. Fund account approval needed for plasticware purchase
4. Raffle
5. Vote to change day of the week for PAC meetings and time – if everyone agrees
6. Lack of communication from parents to teachers and vice versa

Because no quorum was meant we decided to post pone the meeting to October 25, 2017 at 6 pm, asked Karen to send Remind to parents.
